MANO A MANO PROGRAM

Welcome to the Beto's Mano a Mano program.

This program is designed to create an opportunity for non profit groups to raise awareness and funds for their cause.

HOW DOES IT WORK?

Beto's will agree to donate 10% of the proceeds of all food sales (not including liquor or tax) on certain Monday evenings from 5pm – 9pm.

During this time the non profit organization may have representatives and /or literature on site to promote their specific cause.

The dinner receipts will be calculated and a check will be sent to the organization with in one week of the event.

HOW DOES YOUR ORGANIZATION GET INVOLVED?

It is very simple.

1. You can contact Cheryl Mijangos at 930-9393 to let her know you're interested.
2. Send us a letter or email betos@grandecom.net that gives us information about your organization and a range of dates that you would like to participate.
3. Please estimate the amount of supporters that you expect to come to dinner on the evening of the event so that we can staff accordingly. We require a minimum of 20.
4. We will contact you to discuss dates available and other details.

HOW CAN YOU MAKE THIS MOST EFFECTIVE?

Understand that there are two goals in this program. Raise awareness and raise funds. We will help in promoting your event with newsletters, signage or other items that your organization wishes to provide. But it is up to your organization to engage your supporters. So talk it up!
